Year 2016

From the Desk of the Principal

Dr. Debabrata Sen, M.A., M. Phil, Ph.D.

It gives me immense pleasure to welcome you all coming here for getting admitted into different courses in this higher institution. Education is the alter of human civilization and always depends our insight, discover new horizon and thus exhibits a meaningful outlook. Day by day, it opens the novel door of knowledge, expel our ignorance with its divine light. Right now, it becomes a challenge hunting phenomenon. Its dynamic approach has made us restless and insatiable. We believe "Come, my friends, it's not too late to seek a newer world".

On the 16th of August 1991, first established as Junior College, it marched forward only to mature as a Degree College in 1993, and situated in the South-Western part of the Udalguri District under BTAD. From 1993 onwards, this premier institution is on a mission to fulfill the need of higher education for the people of this backward region. I must acknowledge the collective efforts of some industrious and inspired persons of Khoirabari and its ad-joining areas, for which Khoirabari College is a reality today.

Though, it was long conceived dream once, right now the college has achieved all the required modern facilities in the field of academic as well as infrastructure development. The college has been provincialized on 1st January 2013 by the Assam Government. The Assam Govt. has approved Science Stream to our college which is going to start shortly.

Concentrating on the exploration of your inner ability and also to cope with the changing trend, the college has provided the modern scientific facilities, uninterrupted electricity, moreover offering provisions of remedial classes for your utmost assistance. Then, quality training sessions, career counseling, computer training, different seminars for all of you aiming for competitive examinations are also similarly entertained here. There is a study center of KKH SOU and more of it. there is also a NSS unit to help you to develop your personality.

It is remarkable that in this knowledge era, college can not pursue her academic objectives in seclusion and should be deeply concerned about sustainable development, democratic values, and imparting proper competence to the younger generation. It must be continuously engaged with the society and show that it is a capable super complex-world.

Therefore, march ahead for better result by accepting all the facilities provided by the institution and satisfied yourself, thus contributing to the development of your society in particular and nation in general.

MISSION, MOTTO & VISION

Mission :-

Khoirabari College is a premier institution for the young buds of this backward region to fulfill the need of higher education. They rush here to attain academic excellence, professional competence and to develop skills necessary for pursuing personal and social dreams. It has been its relentless effort to inspire the students for their all round development so that they can understand the values of National Integration, Social Harmony and Secularism.

Motto :-

The motto of the college is – “Learn and let learn”

Vision :-

The college has a vision to engage with the society and try to show that it is capable of solving the real problems faced by the society in an ever changing super complex world.
