KHOIRABARI COLLEGE

Khoirabari :: Udalguri

Website: www.khoirabaricollege.in, Email-khoirabaricollege@gmail.com

From the desk of the Principal

I do extend, first of all my heartiest welcome to all of you coming here for getting admitted to various courses in this Higher Education Institution. Education means an all round development, which deepens our insight, expands our horizon and thus exhibits a meaningful outlook. Gradually, it eliminates our ignorance and fill up our minds with the divine light of knowledge.

On 16th August, 1993, Khoirabari Degree College was established. It is situated in the South Western part of the Udalguri District under BTAD. From 1993 onwards, this premier institution is on a mission to fulfill the need of higher education for the people of this backward region. I must acknowledge the collective efforts of some industrious and inspired persons of Khoirabari and its adjoining areas, for which Khoirabari College is a reality today.

Though, it was a long conceived dream once, right now the college has achieved all the required modern facilities in the field of academic as well as infrastructural development. In the year 2009, The BTC Govt. announced and included the college under deficit system of grant-in-aid. Fortunately, the college has been provincialised on 1st January, 2013 by the Government of Assam.

Concentrating on the exploration of your inner ability and also to cope with the changing trend, the college has provided the modern scientific facilities, uninterrupted electricity, moreover offering provisions of remedial classes for your utmost assistance.

Then, quality training sessions, career counselling, computer training, different seminars for all of you aiming for competitive examination are also similarly entertained here.

There is a study centre of KKHSOU and more of it, there is also an NSS unit to help you to develop your personality.

The college is permanently affiliated to Bodoland University since 2020-21. The college is recognized by the UGC, New Delhi under section 12(f) and 12(B).

It is remarkable that in this knowledge era, college cannot pursue its academic objectives in seclusion and should be deeply concerned about sustainable development, democratic values and imparting proper competence to younger generation. It must be continuously engaged with the society and show that it is capable of solving real problems faced by the society and other institution in an ever changing super complex world.

Therefore, march ahead for better results by accepting all the facilities provided by the institution and satisfy yourself, thus contributing to the development of your society particular and nation in general.

Dr. Debabrata Sen
Principal
Khoirabari College

Mission, Motto & Vision

MISSION:

Khoirabari College is a premier institution for the young buds of this backward region to fulfill the need of higher education. They rush here to attain academic excellence, professional competence and to develop skills necessary for pursuing personal and social dreams. It has been its relentless effort to inspire the students for their all round development so that they can understand the values of national integration, social harmony and secularism.

MOTTO:

The Motto of the college is - "Learn and let learn".

VISION:

The college has a vision to engage with the society and try to show that it is capable of solving the real problems faced by the society in an ever changing super complex world.

FOUR YEARS UNDER GRADUATE PROGRAMMES

From the Academic Session 2020-21, the affiliation of the college has shifted from Gauhati University to Bodoland University, Kokrajhar and Khoirabari College has been following the new FOUR YEARS DEGREE COURSE syllabi offered by Bodoland University in the under graduate level.

The under graduate programmes contain the following courses:

1. Under Graduate Programmes in Arts
(8 semester course, both Major & Minor Courses).

Eligibility: Any Higher Secondary (10+2) pass candidate can take admission into the BA (Four Years Under Graduate Programme)

Curricular components

The entire FYUGP curriculum is divided into two parts –

- (a) Core Courses and
Common Courses, which are described below.

Core courses: The core courses constitute Majors and Minors. Usually, a student will choose one Major subject and two Minor subjects. All core courses have a credit allocation of 4. Altogether, irrespective of any Major or Minor options, a student will necessarily need to study 21 courses with total credit allocation of 80 over a 3-year programme.

Major Course: The minimum credit requirements for a Major Course over a 3 years period is 60 which translates to 15 courses (papers).

Minor Course: The minimum credit requirements for a Minor Course over a 3-year period is 12 which translates to 3 courses (papers). Second Major Course Provided a student has a Major Course with 60 credits, s/he can convert one of her Minor Courses to a Second Major only with a credit allocation of 40. In that case, s/he gets a degree with Double Major and Minor. So, in general the total credit requirements of 80 in core courses translates to a single Major and two Minors. But a student can choose otherwise as well. To know how, see the section on Degree Options.

Common courses: As the name suggests, these courses will have to be studied by all students of FYUGP. Together the common courses have a credit allocation of 36 divided into five subdivisions. They are:

Value Added Courses (VAC): Total Credits 6,

Ability Enhancement Courses (AEC): Total Credits 8

Multidisciplinary Courses: Total Credits 9

Skill Enhancement Courses (SEC): Total Credits 9

Internship: Credit 4

A brief description of these courses are given below.

Multi-disciplinary Courses - These are 3-credit courses spanning over five different groups of subjects (i) Natural and Physical Science, (ii) Mathematics, Statistics, and Computer Applications, (iii) Library, Information, and Media Sciences, (iv) Commerce and Management, and (v) Humanities and Social Sciences. The level of these courses are of Class XII. Each student needs to take at any three courses, each with 3 credits from these five sub-groups during Semesters 1-3.

Ability Enhancement Courses (AEC) - This is an 8-credit course covering Modern Indian Languages (MIL) and English Usage (Communication). Each student needs to complete two courses of 4 credits each – one from English Usage and other from the group of MIL, especially designed for this purpose. Both these courses are split into 2-credit parts each. The English Communication course is to be completed during the 1st and 2nd Semesters and the MIL course is to be completed during 5th and 6th Semesters.

Skill Enhancement Courses (SEC) - These are various skill courses with a total credit allocation of 9. All students need to complete three Skill Courses, each with 3 credits, in Semesters 1, 3, & 3.

Value Added Courses (VAC) - The VAC courses will come from four sub groups — (i) Understanding India, (ii) Environmental Science, (iii) Digital and Technological Solutions, and (iv) Health & Wellness, Yoga Education, Sports, and Fitness. All together they will have a credit allocation of 6. Each student will have to take any three courses, each of 2-credits, from any three groups during Semesters 1, 3, & 4. In 1st Semester the VAC under MOOC Course (Online). In 2nd Semester the VAC is Environmental Studies.

4. Here one course from the Environmental Science group is compulsory except if the student takes a core course on Environmental Science.

Interdisciplinary Course (IDC) – It is to be opted from outside the major and minor courses. Each IDC shall carry 3 credits. The students may opt for any of the IDC courses from the pool of courses approved by the University with the condition that the course was not studied at the 10+2 level. In 1st, 2nd & 3rd Semester IDC under MOOC (Online)

Internship- All students are to carry out an internship with a credit allocation of 4. The internship will be carried out during Semester 4. As internships are meant to be done during semester breaks, they will not interfere with other classes.

Course levels

- 0-99: Pre-requisite
- 100-199: Foundation & Introductory
- 200-299: Intermediate-level
- 300-399: Higher-level
- 400-499: Advanced course
- 500-599: First-year Masters-level
- 600-699: Second-year Masters-level
- 700-799: Doctoral-level

Course levels 0-499 are for FYUGP.

ABC (Academic Bank of Credits): The BU-FYUGP is directly connected to the ABC (Academic Bank of Credit) as notified by the UGC. All credits a student earns at the end of an examination in BU-FYUGP, will be deposited in the ABC by the university. As such it is mandatory that a student under BU-FYUGP register for the ABC as notified by the regulatory agencies.

Progression and exits: The progression and exits during the whole course structure is given below.

After 1 Year - One can exit just after one-year. In this case, the student will have to complete one extra Vocational/Skill course (Exit Course) of 4 credits and can exit the programme. The student will get a Certificate. The minimum total credit requirements is 44 (and 4 credits extra for the exit Vocational course).

After 2 Years - One can exit the programme after two-year course as well. In this case, the student will have to complete one extra Vocational/Skill course of 4 credits and can exit the programme. The student will get a Diploma. The minimum total credit requirements is 88 (and 4 credits extra for the exit Vocational course).

After 3 Years- If a student completes 3 years, s/he can exit the programme. In this case the student will get a Bachelor's Degree. The minimum total credit requirements is 120.

After completion of 4 years, the student gets either a Bachelor's Degree (Honours) or a Bachelor's Degree (Major) with Research. The minimum total credit requirements is 160.

It should be noted that any certificate/ diploma/degree is awarded only if the student clears (i.e. passes) all the required courses (papers) till that point of time.

Multiple exits and entries: The FYUGP allows students to have multiple exits and entries. That is a student can exit the programme, say after one year (as shown above) and then again can enter the programme at a later time and can continue the programme from where he/she left. This process can be executed multiple times.

However, the entry into the programme is subject to availability of positions at that point in time and in that institute/college. Besides, the following should apply.

A student will get a certificate / diploma / degree on exit from the BU-FYUGP (depending on in which year the student exits), only when the student passes in all the minimum compulsory courses at that point of time.

After an exit, either after Year 1 or 2, the student can seek entry only into the same programme to which the student was admitted.

When a student exits the BU-FYUGP after 3 years with a Bachelor's Degree, s/he can not seek reentry into the programme at the fourth year, rather s/he will need to take admission into the Master's programme at the first year.

As the contents (syllabi) of all the courses are subject to modification from time, when a student enters into the programme after an earlier exit, the contents of all courses will

be what is as per the syllabi at the current point of time.

Degree options: Broadly the FYUGP will have two degree options (a) Degree in a Stream and (b) Degree in a Discipline. In all cases, the requirements of core and common courses remain same.

Degree in a stream - Different subjects of FYUGP is divided into three broad streams — Arts, (ii) Science, (iii) Commerce & Management, and (iv) Interdisciplinary. There are the following options under this category.

Degree with Major and Minors - In this case, a student studies one Major subject which consists of 15 courses and two Minors which consists of 6 courses (3 for each Minor). The students can also utilise the free credits to study another Minor as well (3 more core courses in another subject).

Degree with / without Major - In this case, a student studies all three core courses equally over a period of 3-year programme.

Degree with double Major - In this case, a student needs to utilise all the free credits (12 in total) to study 3 more courses of one of the Minors and earn another 24 credits from MOOCs (subject to permission) on the same Minor to earn total credit of 48. In this case, the student gets a second Major in that subject (the Minor subject). It should however be noted that a second Major (or double Major) can be obtained only if the student earns the first Major.

Nomenclature - The nomenclature of the degree in the above cases will be such as Bachelor of Arts.

Degree in a discipline - In this case, a student studies all the 21 core courses from a discipline designed for that purpose. These kinds of degrees will not have any Major or Minor. An example would be Bachelor's Degree in Information Technology or Bachelor's Degree in Business Administration etc. There will be primarily three types of degrees in a discipline.

They are:

Bachelor's Degree in a Discipline viz. Bachelor's Degree in Business Administration.

Bachelors of Arts / Science in a Discipline viz. Bachelor's Degree in Science in Microbiology.

Bachelors of Vocation or Bachelor's degree (Vocation) in a Discipline viz. Bachelor's Degree (Vocation) in Small tea Garden Management

Choice of courses: Prerequisites are conditions which need to be fulfilled prior to admission into the FYUGP. Each subject and its course (paper) has their own prerequisites, which need to be fulfilled by a student prior to enrolment. For example, having Class XII-level Math is a prerequisite required to opt for Physics at the FYUGP. Here, having a prerequisite necessarily means that the student needs to have passed in the subject.

Requirements - As opposed to prerequisites, the requirements are conditions which need to be fulfilled when a student chooses a certain subject or course. For example, when a student wants to study Botany as a subject, Chemistry as another subject must be studied.

Course options - Subject to fulfilment of prerequisites and requirements, a student can choose any subject as core subjects. The nomenclature of the degree awarded (whether Bachelor of Arts or Science) will be decided by the group to which at least two subjects belong.

Evaluation

A student's performance will be evaluated throughout the year based on continuous assessment. Evaluation of the students' performance in each semester for every course/paper will be based on the following:

Internal Assessment (IA)

End Semester Examination (ESE)

For a student to pass in a course/paper, she/he has to pass in both Internal Assessment and End Semester Examination separately.

Internal Assessment (IA)

IA will ideally account for 20% of the total marks allotted to a course/paper. For evaluating the performance of the students in a continuous way, the following measures will be adopted for distributing marks earmarked for IA.

Sessional or mid-term examination will be conducted for 50% of the total marks allotted for IA of a course/paper. (For example, if 20 marks is allotted for IA of a course/paper, then 10 marks will be kept aside for assessment in sessional or mid-term examination. The sessional examination will be held for 20 marks for the convenience of setting questions and covering the syllabus and the marks secured by the students will be proportionately converted to be out of 10 marks. Duration of the examination will be one hour. The question papers of the sessional or mid-term examinations will be set by the concerned teacher(s) and the evaluated answer scripts will be shown to the students and corrections will be made, if any. 20% of the marks allotted for IA will be awarded to the students based on class attendance. If the total marks for IA is 20, then 4 marks will be awarded to the students based on class attendance. The following criteria will be adopted for awarding marks under this category:

Class attendance from 75% to <80%	= 1 mark;
Class attendance from 80% to <85%	= 2 marks;
Class attendance from 85% to <90%	= 3 marks;
Class attendance from 90% to <95%	= 4 marks.

The remaining 30% of the marks allotted for IA will be distributed and awarded on the basis of performance of the students on the following criteria:

Home assignments/Projects.

Seminar/Group discussions.

Field work.

Performance in co-curricular and extra-curricular activities.

End Semester Examination (ESE)

The ESE will comprise of 80% of the total marks earmarked for a course. The ESE shall be of three hours duration for a course whose ESE component exceeds 50 marks. For a student to pass in a course/paper, she/he has to pass in both the Internal Assessment and End Semester Examination separately.

Pass Marks

A student is required to pass each paper/course of the End Semester Examination with minimum pass grade of 40% in both theory and practical.

A student must pass in both internal and external examinations of a paper (theory and practical) separately if he/she has to pass in that paper. Passing a UG course in any subject does not automatically imply qualifying in Major.

Candidates who fail to secure minimum pass grade (equivalent to 40% marks) in a course (IA and End semesters separately) and fails to obtain Semester Grade Point

Average (SGPA) 4.0 shall be declared unsuccessful. They shall be required to clear the arrear or backlog through re-appearing in the examinations.

Add-on Certificate Courses: The following are the Certificate Courses provided by the College:

Spoken English
Spoken Bodo
Research Methodology
Disaster Management

Special Features:

- Experienced Faculty
- Remedial Classes
- Students Mentoring
- Students Counseling
- Digital Classrooms
- Computer Lab
- Language Lab
- Indoor Sports Facility
- Gym Facilities
- NSS
- Digitalized Central Library
- Departmental Libraries

KRISHNA KANT HANDIQUI STATE OPEN UNIVERSITY

COURSE OFFERED BY STUDY CENTRE OF THE KRISHNA KANTA HANDIQUE STATE OPEN UNIVERSITY, GUWAHATI (KHOIRABARI COLLEGE)

1. Undergraduate Programme (Both Major and Pass Course)
2. PG Programme in Assamese, Economics, Education, English, History, Political Science

STUDENT'S WELFARE SCHEME:

It becomes a tradition that every academic session, students elect a body and manage the welfare activities of the students as per the rules of the union under the guidance of the teacher-in-charge. Our elected body is known as "Khoirabari College Student's Union" (KCSU). This is the single students' body and every admitted students of this college is the member of this union body.

In every academic session, the college arranges various co-curricular activities, i.e. debate, extempore speech, spot writing, recitation, and cultural competition including sports and games competitions.

COUNSELLING CELL:

The college has a counselling cell and every year in the last week of June and again in the first week of August, two counselling classes are arranged for the students only to inform them about the approaching challenges of their careers. Besides, the cell is always proactive to help the students wherever they need information and guidance.

GRIEVANCE REDRESSAL CELL:

Honourable Principal sir looks after the Grievance Redressal Cell of our college. He always listens to the grievances of faculty members, office bearers and the students and at once takes necessary action.

LITERARY SOCIETY:

There is a Bodo Literary Society in the college to develop the writing skills of students.

IQAC:

The internal Quality Assurance Cell of Khoirabari College has been set up for planning, guiding and monitoring Quality Assurance (QA) and Quality Enhancement (QE) activities of the college.

ELECTRICITY PROVISION:

To meet the shortage of power, a solar plant with 50 KV has been set up in the college campus for providing 24x7 uninterrupted power. Besides, generator facilities are also available in the campus.

UGC GRANT:

Khoirabari College has been enjoying grants from UGC under the 2(F) & 12(B) scheme.

SCHOLARSHIP/AWARDS:

National Merit Scholarship, State Merit Scholarship and ITDP sponsored SC/ST/OBC/MOBC etc. scholarships can be enjoyed by the deserving students.

CULTURAL ACTIVITIES:

Khoirabari College often appears as the exclusive platform of those students who carry diverse cultural ethnicities of Assam in general and BTR in particular. They represent the college in the Youth Festival and in other cultural competitions. And often they shine and the entire college community feels proud for them.

GAMES AND SPORTS:

Khoirabari College always earns reputation over different field of games and sports either in Inter-college or in state level competition. Then the college authority also tries its sincere effort to provide the standard facility if required.

NSS:

The National Service Scheme (NSS) is an organisation which provides opportunities for students to develop their personalities through community service. "One is always concerned for others" is the essence of this service to the Nation.

Students' Aid Fund:

Often financial help is given to those poor students who desperately need it after proper verification.

G.B.:

Khoirabari College is governed by a strong and energetic Governing Body approved by the Director of Education, BTC.

IDENTITY CARD:

An identity card will be issued to every student at the time of admission. The card shall contain information about the holder along with a recent passport photograph of the student duly endorsed by the principal. The identity card is non-transferable.

A student must keep the Identity card with him/her, and he/she must produce the same whenever asked for. Students must get renewed his/her Identity Card at the end of each academic year.

LIBRARY:

Within the college campus, Khoirabari College provides library facilities of an "Open Access" nature, allowing students and employees/ readers to use the library books for the purpose of study. The facility of reading inside the library is also available. The library is equipped with nearly twelve thousand books including reference books, valuable journals and daily news papers. The library provides computer and Xerox machine facilities for the students. The library remains open from 9 AM to 5 PM on all working days. To every student, library cards are issued from the library. On production of the library card, a student can get books issued from the library. In no case can a student keep a book for more than 15 days. The borrower shall be responsible for any loss/damage of books. The library is completely AC.

LABORATORY:

The college has two well-equipped laboratories with modern facilities separately for Education and Geography.

WALL MAGAZINE:

The College has a wall magazine which is published half yearly. Every department has its own wall magazine.

COLLEGE NOTICE BOARD:

Students should, in their own interest, look every day at all notices displayed on the Notice Board.

STUDENTS FEEDBACK:

Students' feedback on teaching, courses and other related affairs are taken.

COLLEGE MAGAZINE:

The college magazine is the medium for developing literary and other potentialities of the students. It published articles and creative writings contributed by students, teachers and Guest faculties.

UNIFORM:

Uniforms have been introduced both for male and female students. Students are bound to attend the college in their respective uniforms.

N.B.- Students should compulsorily be in their Uniforms during -

1. (a) College hours including examinations.
- (b) All college functions and college related activities
2. Mobile phones are strictly prohibited in the College Campus

LECTURES & SEMINARS

Different types of lectures, seminars and workshop are held in the college.

CANTEEN:

Canteen facilities is available for students and College Staff.

COMMENCEMENT OF CLASSES:

All B.A. Semester Classes will be started from 1st August, 2025

Maintenance of Discipline among Students:

Great emphasis is laid on discipline and character building of students and they are expected to maintain a high standard of discipline. They are subject to the rules and regulations of the college.

- * Raging is strictly prohibited.
- * 75% attendance is mandatory.
- * Use of Mobile Phones in the campus will not be allowed.
- * Smoking and Taking Gutkha are strictly prohibited in the campus.

Note For Guardians:

Khoirabari College has always maintained a good relationship with guardians. Their good will and co-operation have played a catalytic role in the rise of the college. To this end, guardian's meetings are held once in a year.

FYUGP STRUCTURE, BODOLAND UNIVERSITY

Code explanation:

MAJ = Major; MIN=Minor; MINA = Minor A; MINB = Minor B; IDC = Interdisciplinary; AEC = Ability Enhancement Course; SEC = Skill Enhancement Course; VAC = Value Added Course. REM = Research Methodology, INT = Internship, ADL = Advanced Learning.

Numeric figures- First digit = Course level; Second & Third digit= Sl. No. of Course in the category (Paper Serial Number) and Last digits= Credits. e.g., MAJ1014. Students willing to pursue 3 years UG Degree with Minor shall have choose two minors (MINA and MINB) in the first semester. Students willing to pursue 4 years UG Degree with Major and Minor shall have chosen one Major (MAJ) and one Minor (MIN) in the first semester. Students must choose IDC from the pool of courses not studied at 10+2 level.

TEACHING AND NON-TEACHING STAFF
